

Interacting with the film is absolutely encouraged and absolutely optional! If you'd like to join in here are some iconic callouts to prepare for.

- When Brad Majors appears call out or sign "ASSHOLE"
- When Janet Weiss appears call out or sign "SLUT"
- Whenever the Narrator/Criminologist appears call out or sign "HE HAS NO NECK!"
- Whenever Dr. Scott appears call out or sign "BOOO!"

And finally...

- Get ready to Time Warp! If you're not in the mood for dancing (standing or seated), feel free to sing or sign along to the chorus "LET'S DO THE TIME WARP AGAIN!"

PLEASE NOTE: We want this event to be fun and safe for everyone! Please avoid any callouts that may offend or be considered racist, ableist, sexist, anti-semitic, homophobic, or harmful. Folks being intentionally harmful will be warned and ultimately asked to leave.
